Dear mamma,
their postcard selection
is punk. I have not seen this
church yet that I know of.
People tell me that it takes about
a year before you get used to
the altitude here so you can
sleep. I have not been to sleep
since I left home but I don't
notice it much now. Hope
Edith is getting along all right.
Had some nice Alberta white-
fish for supper. May go to a
movie tonight.

Dave.
